A Corkscrew Journey: My Life as a Syphilologist

Presented by: Dr. Sheila A. Lukehart, Ph.D.

Please join us as we welcome one of our AWIS founding members, Dr. Sheila Lukehart, Ph.D. to this month's AWIS program. Dr. Lukehart will describe her area of research and the path that led her to where she is today. There will be light refreshments and an opportunity to network with current AWIS members and attendees. Please do consider joining us!
